## PETS ON "PONIES" **BUT SUES HUBBY** TO GET SUPPORT

Brooklyn Wife, However, Relents When Her Delayed Allowance Arrives.

arraigned before Magistrate Dooley in the Court of Domestic Relations to-day on a charge of non-support, "some wife has 'em all beaten when she puts this charge against me. I give her \$15 very week and she goes and bets it on the poules, and then, just because she almost always loses, she comes into court and prefers charges against me." Given a chance to explain, Mrs. Elizabeth Doty told the Court that when The secured a warrant for Doty vesterweekly fifteen, and she thought he had slipped one over on her. Last night.

however, he came through with the big divide, she said, and she didn't want to

## Best Laws and Homes Where Women Vote,

### Says Premier McGowan of New South Wales WINSIN CONTEST

Feminine Ballot Is the in the World," He De-clares, "and Doesn't Accept 'Necessary Evil' in Politics, as Men Often Do."

Mrs. McGowan, Mother of Eight Voters, Two of Them Daughters, Tells of Good Accomplished by Practical Suffragists There in Few Years.

T HERE see at two more advocates of woman

suffrage in New York to-day than there were yesterday morning. They are James S. T. McGowan, Premier of New South Wales, on his way home from the coronation. Mrs. McGowan, mother of eight

payroll. The money was counted out herself a voter. For women have been voting in New South Wates for members of Parliament for the last ten She told the police later that she did years-ever since the Federated Ausnot see Zolla when she got on the car, tralian Parliament became a fact. Bewhich was crowded, but it is believed he fore the federation women voted in was hanging about when the money was some States and were not enfranchised counted out to her, and that he boarded in others. But Mrs. McGowan has cast the car with her. Passengers dropped her ballot for the Labor candidate for off, until at Thompson and Broome the past three years, and at the most birects only Zolia was in the car with recent election her vote was simplified by the fact that she cast it for her own

She is a spare little woman with the look of care and competency that comes to the mother of eight children. Her free and spring to the street with Migs husband began life as a railroad workman and now, though the head of the official life of New South Wales, the

The Premier belongs to what we consider here the old-fashioned type of isbor leader, the rough diamond sort. His Miss Oppenhelm, who had picked the ideas about woman suffrage are as direct and uncompromising as a ten-word telegram. And if you want the light and color of the interesting detail of suffrage in Australasia you get it from WOMAN'S INFLUENCE THROUGH lingerie.

BALLOT IS GOOD.

"There is no doubt that their infinence has had a marked change upon our politics, a change for the better in every way.

cent, of the woman vote is a reflex of and I talked to her about the children the husband's vote. I don't mean that Before she left I think she was about the husbands dictate to their wives or converted, and she thanked me. of No. 85 Sands street, Brooklyn, when naturally vote for the same man. It's them get the women voters out on elecir Auntralasia.

> "Where a woman votes differently from her husband she votes better than her husband. The good woman doesn't accept the 'necessay ovil' in politics. She doesn't sometimes, 'Me's rascal, but we can't do any better.' She asks questions. She asks, 'Is he a good man? Is he a good husband, a good father, does he lead a decent privote life?"

"In England," said Mrs. McGowan when I asked for her views of the suffrage question, "I was asked if voting made women less womanly. I laughed.

The total will be nearly \$3,000,000. This will be divided, approximately, among the various boroughs as follows. Manhattan, \$5,100,000: the Bronx, \$500,000: the Bronx, \$500,000:

Strongest Moral Force Lingerie "Bonnichons" Latest Vagary in Women's Hats to Arrive From Europe His Nearest Competitor in

One may say that what characterizes the fashion in hats of the moment is the great variety of styles. Any shape or size can be worn, and nothing appears too extraordinary. But with all this abundance of millinery, and when it is remembered that the there yet seemed to lack something. That something has now been supplied in these attractive bonnichons, siris defeated them by a score of 2 which have just come into vogue. Besides being rather amusing to look at, they form a most becoming head to a bathing party and for a dinner to direct, being entirely made of fine linen, with frills falling softly round the face; hence their being likemed to hight, even the man who was abused in disposed to laugh and call all bets the gentle, gray-haired Mrs. McGowan, dress, being entirely made of fine linen, with frills falling softly round the face; hence their being likened to

"Women have been voting in New South Wales ever since the Federation, ten years ago," began the Premier at the Hotel Belmont.

"There is no doubt that their in-

said, nor in marriage, and they wanted to turn all children over to the state to be brought up. Then I told her I was Mrs. McGowan, and that, while I had The percentage of women voters is no doubt she was paid to tell such higher than of men voters with us. wicked lies, I would tell her that Mr. Every Australiasian woman can talk McGowan had taught in a Sunday politics intelligently, but she's none the school all his life, that he is the bes less womanly for that. About 75 per hysband and father a man could be

opinions blindly. But having the same just as much interested in the party's interests and the same prejudices, they triumph as the men. You ought to see the other 25 per cent, of the woman's tion day. Why, I've minded a sick vote that is the strong moral influence baby while the mother cast her ballot, and It a woman says she can't go to the polls, because she has no hat or no shoes, we lend her ours." And just here .... McGowan took up the song of suffrage again.

"Any state where women vote is a better state, has juster laws, better homes and flarr wives than a country where the strongest moral force i the world is kept out of politice," he said.

# JOHN KENLON FOR FIRE CHIEF

Civil Service Examination Was William Guerin.

John Kenion, Acting Ohler of the Fire Department since the retirement of Edward P. Croker, will be selected from the twelve deputy chiefs who recently took the Civil Service examination for the post of commanding officer of the department. While such succession had been expected, it was only to-day that the information came from semi-official sources that the character of the mental and physical examinations passed by Kenlon would surely land aim the of

Only eight of the twelve deputies

who went up for examination earned sufficient marks to just: having their names sent in for the chief's place. The two highest scores were those of Kenion and William Guerin There was close race between these two. James Creelman, head of the Civil Service Commission, will send in the papers next week. He declares that the xamination was strictly a scientific performance, with merit alone as the niedoner, will announce the result next

Kenion has been the choice of Mayo Gaynor for the place, and the general entiment awarded him the winning post while the examinations were on. He was an odds-on favorite among those who bet on such events without personal feeling in the matter.

### CHOICE NAMES FOR UMPIRE AT CHORUS GIRLS' GAME

Applied to William Roehen by Defeated Chorus Men's Baseball Nine.

Willem Roshen, who has charge of s cupe of athletic girls at the Brighon Beach Music Hall, is a "hummy." an't see out of the other, and he ought to be chief barker for a watermelon wagon. Outside of that he is all right None of these things reflects upon Mr Roshen. He was a perfectly nice man efore he went out to-day to umpire a baseball game between nine of his girls and nine members of Gus Edwardes' long Review chorus boys. He acquired all of the new titular decorations dur ing the game. The hard names, gentle reader, came from the Edwardes boys,

off.

The nine girls were bathing suits or bloomers. They had all of the curves on the boys and the men just couldn't see how to bat. Irene Hennet pitched for the dames, with Ruth Rockwood doing the Kelly act. The game, which went for five innings, brought to the beach one of the big crowds of the season.

### HITCHED WIFE TO HARROW WITH TEAM OF MULES

Missouri Man Made Woman Do Work of a Horse and Clubbed Her When She Fell.

KANSAS CITY, July 29.-Because her husband hitched her to a harrow beside a team of mules and drove her around a corn field Mrs. Lafayette Choate, wife of a farmer living near Birmingham, Mo., appealed to the Juvenile Court here yesterday for the custody of her two sons, four and six years old.

One Hundred and Third street, where state, has juster laws, as factor state, has juster laws, and a woman's the Bradley section ends, picks and spaces will swing at the same time, and the long deferred construction of additional transit facilities for New York City will begin.

The ceremonial initiation of the work will be at Sixty-seventh street, where a platform is being constructed to receive the city officials, including Mayor Gaynor, who have been invited to be present when Chairman Willeax of the Public country.

A well dressed man and a pretty, handsomely attired woman rode it into a Raiph avenue car at Macon street and Platform is being constructed to receive the city officials, including Mayor Gaynor, who have been invited to be present when Chairman Willeax of the Public country.

The woman bared her arm before the Court. It was black and thus.
